

Curriculum Vitae of Dr Barry Quinn (Ireland)

Personal Details

Name: Barry Quinn, PhD, MSc, PGC Teaching, BD (Hons), Bacc.Phil (Hons), RN

Phone Numbers: 020 87673069 or 07890117420

E-mail address: barryquinn131@gmail.com

Current Post: Clinical Practitioner (Haematology/Oncology)/Senior Lecturer/Consultant Editor
Antrim, Ireland

Employment History

October 2019 – Current: Clinical Practitioner (Haematology/Oncology), Senior Lecturer, Consultant Editor, Antrim, Ireland

April 2018 – October 2019: Director of Nursing for Cancer and Palliative Care, Barts NHS Health, London, Visiting Senior Lecturer at City University, London

September 2017 – January 2018: Director of Nursing & Clinical Services, Woking & Sam Beare Hospices, Woking, Surrey, Visiting Senior Lecturer at King's College, London and University of Surrey, Guildford

October 2014 – September 2017: Assistant Director of Nursing/Clinical Lead End for Life Care, Chelsea & Westminster NHS Foundation Trust, 369 Fulham Rd SW10 9NH, Visiting Senior Lecturer at King's College, London and University of Surrey, Guildford

October 2013 – October 2014: Lead Nurse for Cancer and Palliative Care/Trust Lead End of Life Care, Chelsea & Westminster NHS Foundation Trust, Visiting Senior Lecturer at University of Surrey, Guildford

November 2011 – October 2013: Consultant Lead Nurse for Cancer and Palliative Care/Trust Lead End of Life Care, Ashford and St Peter's NHS Foundation Trust, Surrey, Visiting Lecturer at University of Surrey, Guildford Visiting Lecturer at University of Surrey, Guildford

November 2007 - October 2011: Lead Nurse/Matron for Oncology, St George's NHS Hospital Trust, London

September 2002 - October 2007: Senior Lecturer Post Grad Module Leader, (Acting Academic Programme Leader July 2005 - April 2006), Royal Marsden School of Cancer Nursing and Rehabilitation. Royal Marsden NHS Foundation Trust, London

Academic Studies

Year Obtained	Award / Qualification
2015	CLAHRC Research Fellow, NW London
2013	Senior Leadership Programme. King's Fund, London
2011	PhD. King's College, London 'Searching for Meaning in Advanced Disease'
2010	Independent Nurse Prescribing. King's College, London
2005	Post Graduate Certificate Teaching in Higher Education. Thames Valley University
2001	Developments in Cancer Care (postgraduate). Royal Marsden, London
2000	MSc in Health Studies. RCN Institute London – University of Manchester
2000	Haemato-oncology/Bone Marrow Transplantation. Royal Marsden, London
1999	ENB 998. Teaching & Assessing. South Bank University, London
1998	N37. Palliative Care. South Bank University, London
1997	Diploma in Higher Education/RN. Bloomsbury & Islington School of Nursing & Midwifery, London
1990	Diploma in Community Studies. All Hallows College, Dublin
1987	Bachelor of Divinity BD (Hons). Milltown Institute of Theology & Philosophy Dublin
1983	Certificate in Care of the Dying. St Gemma's Hospice. Leeds
1981	Bacc. Phil (Hons). Milltown Institute of Theology & Philosophy, Dublin

Funding /Grants

2012-2013 Hospital, hospice and care home end of life care training project with the University of Surrey (Hospice UK **£15,000**)

2013 - 2015 - Developing on line training app 'I can make a difference' with Kingston University, for support workers in end of life care (Health Education England **£20,000**)

2015-2019 - European Oral Care in Cancer Guidance and website www.eocc.co.uk (Camurus, EusaPharma, Alliance Medical unrestricted educational grants **£50,000**)

2011-2019 - United Kingdom Oral Management in Cancer Guidance, website, teaching materials and patient information www.ukomic.co.uk (EusaPharma, Colgate unrestricted educational grants **£100,000**)

2017-2019 - Managing Pain in the advanced cancer setting (Amgen sponsored research grant **£400,000**)

2014-2019 - Managing Advanced Pain Together Guidance and Website www.macpt.co.uk (Amgen unrestricted educational grant **£200,000**)

2013-2019 – Cancer training/education (Pfizer, Jazz Pharmaceutical, Amgen, Novartis, EusaPharma unrestricted educational grants **£100,000**)

2018-2019 - City University/Barts Health Level 6/7 module in Advanced Disease (Health Education England **£20,000**)

2018-2019 – End of Life Care Education (Macmillan Charity educational grant **£120,000**)

Recent research engagement

- Measuring the impact of pain assessment and management using a pain conversation tool in the advanced cancer setting (United Kingdom, France, Germany, Belgium)
- When Prayer Shows Up: The social relations of prayer in healthcare- exploring accommodation of and resistance to prayer in public spaces (Vancouver/London)
- Tenovus Cancer Choirs: the effects of choir singing on psychological and immune responses of cancer patients, staff and carers.(United Kingdom)
- Exploring the concept of comfort in health care settings (London)
- A European review of oral care practice in the stem cell transplant settings (Europe)
- Pressure Relieving Support Surfaces: a Randomised Evaluation 2 – Pressure II (United Kingdom)
- Exploring meaning in advanced disease

Research Interests

- The search for meaning and its role in attending to the person in health care
- Spirituality/Existentialism in health care
- Cancer and palliative care symptom management
- Sexuality in health and social care
- Leadership in health care
- End of life care
- Staff well-being and mental health

Teaching

Contributions to various courses including the following topics

- Ethics in health and social care
- Research methods and methodologies
- Advanced disease
- Person centred care
- Leadership
- Caring for the carers
- The writings of Victor Frankl, Martin Heidegger and health care today
- Cancer and transplantation
- Palliative/End of life care
- Managing pain and treatment toxicities
- Staff/student well-being and mental health
- Care and compassion in practice
- Reflective practice

Current Engagements

- Consultant Editor for Nursing Management, Royal College of Nursing Institute
- Chair: Managing Advanced Cancer Pain (MACPT) European Expert Working Group
- Chair: European Oral Mucositis in Cancer (EOCC), Multi-disciplinary Expert Group
- Deputy Chair: Tower Hamlets Council/Macmillan Integrated Health and Social Care Cancer Network
- Chair United Kingdom Oral Management in Cancer Group (UKOMiC)
- Member and Past Nursing President: European Group for Blood and Marrow Transplantation (EBMT)
- Member: European Oncology Nursing Society (EONS)
- Member: of the Editorial Board for the European Journal of Oncology Nursing (EJON)
- Member: of the Nursing Advisory Board for Myeloma UK (Myeloma Academy)

Reviewer for:

- European Journal of Cancer Care
- European Journal of Oncology Nursing
- Cancer Nursing Practice
- Bone Marrow Transplantation
- Journal of Supportive Care
- Nursing Standard
